## Design Concept

Lunar's design inspiration derives from the perfect blend of minimalism and modern fashion. Its smooth curves and clean lines not only enhance the overall streamlined feel but also provide a gentle visual experience. The design eliminates unnecessary decorations, retaining pure functionality and aesthetics, aligning with modern aesthetic trends and suitable for various spaces.

Lunar features a well-positioned footrest, ensuring comfortable support for your legs and promoting a relaxed yet elegant posture.

The compact backrest provides extra support, ensuring comfort even during extended use.
